Dear Mr. Atta,

The Owners of the three adjacent properties at Kamehameha Highway and Pahoe road would like to cancel the minor Special Management Area permits (2015/SMA-24,47,&61) issued for these properties at 59-712 & 59-706 Kamehameha Highway and 59-063 Pahoe road (TMK: 5-9-011:068, 069, & 070). The owners wish to withdraw the application for a revision to the Special management Permit issued for 59-063 Pahoe Road (TMK:5-9-011:070).

The owners will submit an application for a minor SMA permit and a joint development permit treating all three adjacent properties as one lot for the purpose of evaluating the limits of a minor Special Management Area permit.

I will meet with the building permit issuance staff to cancel all building permit applications associated with the withdrawn SMA permits. Two building permit applications (A2015-08-0156 & A2014-12-0081) will remain in process pending approval of the application for a new minor SMA permit for all three lots.

Thank you for your consideration and prompt attention to this matter. If you have any questions feel free to call me at 620-8021.

Sincerely,

Gregory A. Quinn, Architect
